- The meeting was called to order at 6:10 p.m., members were welcomed.
- Removal of NCCC, at the end of the year SDCT will not longer be a member of the NCCC. If any member wants to remain a member it will be that member's responsibility to continue their membership and pay the required dues, SDCT will not assist in that process.
- With the removal of NCCC we (SDCT) will add a liability insurance policy through the NCM which is covered by Hagerty. This policy covers all club members and Board members should it be needed for hosted events if a law suit is filed. It does not cover damage to your car, your personal insurance policy would be your first defense. Coverage will begin November 1, 2024.
 - Club member Dana Reiman requested that an e-mail be sent to the membership outlining the policy and coverage.
- New updated name badges have been designed to align with our current logo. We will offer C3, C7, C8 these options match the merchandise offered. All new members will be given name badges with the new logo, current members have the option to order one of the three designs if desired.
- Peanut Butter drive, SDCT donated 100 pounds to Interfaith Community Services. Thank you to the membership for their contributions.
- Holiday party is scheduled for December 14, 2024 at Saddlebrooke HOA2. If you would like to donate a gift basket please let Dick Holdeman know. Dick is also looking for volunteers to help with donations from local restaurants, Dick will provide each volunteer with a letter to hand out and all the other information you might need.
